

To: Football Player Parents

**“Membership in your Football Boosters Club”**

You probably have received multiple messages in previous months about joining the FMHS Football Booster Club. The football season is right around the corner, and membership in your Jaguar Football Booster Club is key to our ability to properly support our Varsity, JV and Freshman football teams.

The Football Booster Club provides a much needed service to the Football Program, promoting and encouraging team and school spirit and providing funds necessary for the football program beyond that provided by Lewisville ISD. Last year, the Club, through various fundraising activities, provided significant funds to the football program for such uses as purchase of weight equipment, rehabilitation equipment, supplies, player scholarships, supplemental coaching, and other vital expenses.

By joining the Football Booster Club, you will be kept up to date with:

- what is happening with the Freshman, JV and Varsity teams
- Booster Club meeting topics and decisions
- Special events including homecoming and the year end banquet
- Ideas and activities to increase the effectiveness of the football program

You will also be recognized as Booster Club members in our football Game Programs.

***The most important benefit is knowing that you are a part of an organization that supports our student athletes.***

Your membership would be greatly appreciated by the coaches and players. The application form is enclosed for your convenience. Please complete the form and mail it and your check to the address on the form, or bring the form and check to the mandatory parents meeting on August 14<sup>th</sup>.

If you have any questions, please call or email me, I welcome the opportunity to talk with you about our FMHS Football Booster Club.

Thank you for your support. Go JAGS!
